

Pre Sedation Surgery Instructions:

- 1. You may not eat or drink anything after midnight prior to your scheduled surgery time, including afternoon scheduled procedures.*
- 2. You must have a driver and they must stay during your procedure. You will still be groggy after you come out of the sedation. This is for your own safety.*
- 3. If you take medications, you may take them in the morning with **a sip** of water.*
- 4. These instructions are for your safety.*
- 5. The procedure room is extremely cold, you may want to dress warmly on top or bring your own blanket.*
